FOR IMMEDIATE RELEASE

REDUCE YOUR RISK WITH TURNER DRAKE

Purchasing a service is risky: you don't know what you're going to get until you get it. Commercial real estate firm Turner Drake & Partners Ltd. is dedicated to reducing that risk. The Halifax-based company is now regulated by the Royal Institution of Chartered Surveyors (RICS): one of only two Atlantic Canadian real estate firms to be RICS registered.

RICS is leading the initiative for a worldwide standard of professional conduct in the land, property and construction sectors. Registered firms are required to adhere to their rigorous regulatory components.

Continuous learning ensures Turner Drake employees are constantly increasing their knowledge of the field. Turner Drake follows the fundamental principles of the RICS regulation in every aspect of their business; 1) ethics, 2) protection, 3) security and 4) client care. These standards are upheld by the RICS risk-based monitoring system, with audit teams based in Washington and New York.

Turner Drake & Partners Ltd. is a multi-disciplinary firm of real estate consultants offering valuation, property tax, counselling, economic intelligence, planning and Lasercad® space measurement advice, throughout Atlantic Canada and Ontario; together with brokerage (sales and leasing) services in Nova Scotia, New Brunswick and Prince Edward Island. In addition to being RICS regulated, Turner Drake is the only real estate consulting company in Atlantic Canada to be registered to the ISO 9001:2008 quality standard.
